Mark the hours of volunteerism you have completed and upload to your e-Portfolio as verification of your hours.

- ☐ Attending an event (1 point)
- ☐ Presenting or facilitating ONE event (3 points)
- ☒ Presenting or facilitating TWO or more events (5 points)

TO VERIFY: Please include a copy of the presentation and write a reflective paragraph of your knowledge sharing experiences and how it relates to environmental sustainability in your e-Portfolio. If you attended an event, include a paragraph of the event you attended and what you gained from the experience in your e-Portfolio.

Event: TRU Undergraduate Research and Innovation Conference 2024 & SUPER 2024

Summary of Activity:

These presentation experiences deepened my understanding of the significance of my research as I shared my findings with a broader audience. Herbicides can have severe environmental consequences, making the development of alternative variants crucial for reducing their negative impact. Engaging with attendees during my presentations, I was frequently asked about the environmental effects of these compounds, which reinforced my appreciation for researchers dedicated to sustainable crop protection and highlighted the importance of considering environmental impact in chemical research.

Dates/Duration of Activity: March 25, 2024 and April 4, 2024
